

## Reduce Oil Usage as Much as 50%\*

When the health of your engine, oil and bottom line are at stake, Donaldson Endurance Plus™ is the answer.

### Donaldson Endurance Plus

As oil costs cut into your revenue, how can you extend drain intervals without jeopardizing engine health? Donaldson Endurance Plus filters are the answer. Built with exclusive additive replenishment technology, Donaldson Endurance Plus guarantees your fleet will double the miles between oil and filter change intervals.\*

\*This performance is obtained through new filter change intervals not to exceed 60,000 miles.

### INNOVATION

Donaldson Endurance Plus lube filters

A patent-pending controlled release system allows Donaldson Endurance Plus to diffuse a concentrated blend of additives that significantly extends oil health. It is installed like a regular filter and requires no system modifications. And it's built with Synteq™ Filtration Media, highly effective in removing even the smallest contaminants.

Benefits of Extending Your Oil Drain Intervals using Donaldson Endurance Plus include:

- Replenishes oil health
- Reduces oil use and maintenance costs
- Doubles the miles between oil changes
- Removes contaminants better
- Installs easily without modifications
- Performance guaranteed
